

# BAIKAL WOOD COMPANY

For many years «Baikal Wood Company», ZAO has been a leader in the forestry sector of the economy of the Republic of Buryatia. In our activities, any emissions in production and hazardous industrial waste are minimized.

According to forecasts, in the coming years, the development of industry and the construction sector will ensure stable consumption for all types of forest products, both domestic and foreign markets. Our company feels very clearly and its main goal is to increase the volume of finished products. Every year we increase the plan, pursue and set its higher goals, keep development to achieve our strategic goal - building a powerful financial and industrial group of federal scale and reaching an open markets.

***WE ARE ALWAYS OPEN FOR DIALOGUE, MUTUALLY BENEFICIAL  
COOPERATION AND INTERESTING PROPOSALS!***
